**CASE NO. 11-03C (Wharf District Master Developer, LLC - Second-Stage PUD for Southwest Waterfront, Parcel 1, Market Square, and Market Shed)**

**THIS CASE IS OF INTEREST TO ANC 6D**

On August 17, 2015, the Office of Zoning received an application from Wharf District Master Developer, LLC, on behalf of the District of Columbia through the Deputy Mayor for Planning and Economic Development, the owner of the property, for review and approval of a second-stage planned unit development (“PUD”) for the Southwest Waterfront for the portion of the approved first-stage PUD known as Parcel 1, Market Square, and Market Shed. The Office of Planning provided its report on October 9, 2015, and the case was set down for hearing on October 19, 2015. The Applicant provided its prehearing statement on November 5, 2015.

The Parcel 1, Market Square, Market Shed property that is the subject of this application consists of approximately 57,549 square feet of land area (the “Subject Property”), and is part of the 22.75 acre Southwest Waterfront redevelopment project that received first-stage approval from the Commission in Z.C. Case No. 11-03 (Z.C. Order No. 11-03, effective December 16, 2011). The Subject Property is located at the northern end of the Southwest Waterfront project area, and is bounded by the Maine Avenue Municipal Fish Market to the northwest; Maine Avenue, S.W. and Banneker Park to the northeast, the Washington Channel to the southwest, and Parcel 2 of the Southwest Waterfront redevelopment project to the southeast.

The Parcel 1 portion of the Subject Property will be improved with a mixed-use building containing office and retail and service uses. The building will consist of 10 stories and contain approximately 245,712 GFA and an FAR of 7.6. The building will be constructed to a maximum height of 130 feet. Approximately 232,787 GFA will be devoted to office use, and approximately 12,925 GFA devoted to retail and service uses. In the alternative, approximately 9,409 GFA on the northern portion of the second floor may be devoted to retail rather than office. An additional 11,292 GFA of habitable space is proposed within the penthouse level of the building. Vehicle and bicycle parking for the building will be located within the two-level below-grade garage that has already received second-stage approval from the Commission, and is currently under construction. Loading facilities will be located at the ground floor along the mews street between Parcel 1 and Parcel 2.

The Market Square and Market Shed portion of the Subject Property will be improved as an open-air plaza located to the northwest of Parcel 1, and include Market Shed, a one-story building containing retail uses.

This public hearing will be conducted in accordance with the contested case provisions of the Zoning Regulations 11 DCMR, § 3022.
